As we keep doing social work, the scope of our NGO also keeps increasing. After connecting with the society, our organization got acquainted with the officials of the Rashtriya Swayamsevak Sangh. Then got the opportunity to join the new system of social organization and Rashtriya Swayamsevak Sangh and their social work keeps going on all over India. Some sangh officials of the selection came to meet us after contacting our organization and gave us an essay letter to promote social work. The invitation letter invited him to the Dr. Ambedkar International Center on an invitation from the Sarsanghchalak of Rashtriya Swayamsevak Sangh, Dr. Mohan Bhagwat ji. The meaning of giving us the invitation letter was that the people, the organizations who worked for the benefit of the society during the Corona period, the founders of those social organizations were invited to the head of the whole of Hindustan. This invitation of 21 August 2022 in the form of a single seminar at 8 am held, head of our organization getting from the selection and organizations to our organization and in future got a continuous opportunity to join them and will work in the interest of the society.
